Storage unit with metal frame; plinth and bottom panel in melamine

Wooden feet 60x60

TECHNICAL DETAILS

HEADBOARD

Curved tapered multilayer panels coated with MDF, veneered walnut, oak melange, brown (up to selling out), lacquered open pore, or lacquered in mat or glossy finish. Horizontal groovings for a slatted look. In the thick leather version the panels are covered in thick leather with horizontal stitches to create a slatted look. Supporting rear panel in wooden agglomerate laminated, in the same finish as the adjustable panels or in mat lacquer (thick leather version: lacquered in the same colour as the thick leather). Mechanism for adjusting panels in 5 reclining positions in zinc-coated steel and natural anodized aluminium.

Fixing of the headboard:

- version with feet and structural slatted base: squares in varnished steel with joint for headboard panel and fixing to the horizontal crossbars for slatted base.
- version with storage bed: fixed to the metal structure of the container.

WOODEN STORAGE BED

Frame in square steel tubular structure varnished black. Plinth in wooden agglomerate laminated walnut, oak melange, brown (up to selling out), mat lacquered, or lacquered open pore.
